

Poudre School District

Full-Day Kindergarten Tuition & Waiver Agreement

I, _____ (printed name) am the financially responsible parent/guardian of _____ (student name) whom I have requested to be enrolled in a full-day kindergarten program at _____ (school), a Poudre School District school where tuition is charged for the full-day kindergarten program. In consideration of the District's and school's agreement to enroll the student, I understand and agree to the following terms and conditions:

- Availability for the full-day kindergarten program may be limited at some schools. Completion of this document does not result in my child being guaranteed a spot in the program.
- Tuition to participate in the full-day kindergarten program is \$2,835 for the year. Payment of tuition in full may be made at the beginning of the school year or in nine monthly payments of \$315, due in advance on or before the first day of each month, beginning September 1, 2018. All outstanding balances as of May 31, 2019 will be turned over a third-party collection agency.
- Waivers are provided to cover the full tuition cost for students who satisfy the following criteria: (1) eligible to receive free or reduced price meals for the 2018-19 school year and (2) a parent/guardian in the household that qualifies for free or reduced price meals must complete the District's 2018-19 Permission to Share Information for Fee/Charge Waivers and Programs to Receive Goods and Services form (Permission to Share form).
- The free and reduced price meal application and Permission to Share form will be available for completion in July 2018. The parent/guardian of a student registered for full-day kindergarten, who has an email address on file will receive an email in July 2018 when the application and form become available. Parents/guardians should also check the PSD website in mid-July for the application and form. The Student Fees and Charges page on the PSD website has links to both the free and reduced price meal application and ParentVUE, where the Permission to Share form can be accessed.
- On August 17, 2018, Poudre School District's central Finance Department will send invoices to the financially responsible parent/guardian for all students enrolled in a full-day kindergarten program at a school where tuition is charged. If a student qualifies for a waiver, the waiver will be reflected on the invoice. Monthly invoices/statements will not be provided.
- PSD's Full-Day Kindergarten Tuition Waiver Information Sheet and Full-Day Kindergarten Program Tuition Frequently Asked Questions (FAQs) contain detailed information on the tuition and waiver process and were provided in conjunction with this agreement.

By signing below, I acknowledge and agree that I am the financially responsible parent/guardian for the student indicated above, I have read this document and agree to the terms and conditions contained therein.
