

Full-Day Kindergarten Meet-the-Teachers Event Thursday, August 16, 2018

Dear Kindergarten Families,

Welcome to full-day kindergarten at Timnath Elementary! We would like to invite you to our Kindergarten Meet-the-Teachers event on Thursday, August 16, 2018. On that day we will hold one-hour sessions where you and your child can meet the teachers and other Kindergarten families, see the classrooms, explore the playground, and drop off school supplies (see the enclosed information about supplies). This event is a change from the ice cream social you may have attended in the past.

When you and your child come to meet us, we will read a story together and do a few activities that will help us get to know your child. We will have information for you about Kindergarten and you will have an opportunity to tell us all about your child and your hopes for your child's Kindergarten year. Then we will go explore the playground where everyone can enjoy a popsicle and start making connections with one another. We will end our time by showing you and your child how our dismissal routines work.

In addition to orienting you and your child to Kindergarten, the Meet-the-Teachers sessions will help us create optimal class lists. We strive to create classroom environments where all children are appropriately challenged and feel welcome, happy, and safe. The information you provide and the observations we make during the activities will help us determine the best class placement for your child. Kindergarten class lists will be available on Friday, August 17 by 4:00pm, when all the other class lists are posted at the school.

How to Sign Up

Meet the Teachers sessions will be held from 10:30-11:30, 1:00-2:00, and 4:00-5:00. To sign up for a session, please go to <https://bit.ly/2HKL9K1>. This link is also available on the Timnath Elementary website.

We are looking forward to meeting you in August!

Sincerely,

Tara Anson and Rebecca McGoldrick
