## A Word from the Principal, continued...

**PTO:** Our Parent Teacher Organization (PTO) does a great deal of work raising money for our school and putting on events for our students. Even if you don't have the time to attend PTO meetings or certain events, our PTO would still love your help in any way you can. By signing up to be on the mailing list, you can receive emails that keep you informed about upcoming events, upcoming meetings, and to receive information about opportunities to volunteer in ways that work for you. Please email our PTO at [timnathpto@gmail.com](mailto:timnathpto@gmail.com) to be added to their mailing list. The first meeting is September 11<sup>th</sup> at 2:30 in the Timnath café.

**SAC:** Our School Accountability Committee is made up of parents, teachers, and administrators, and we're also on the lookout for a community member who would like to join. We meet four times per year after school from 4-5pm to review school achievement and growth data, to discuss our plans for continued improvement, to make budget recommendations, and to discuss other pertinent school-level topics. If you are interested in being a member of our SAC, please email me at [jibarela@psdschools.org](mailto:jibarela@psdschools.org).

**DAB:** Our District Advisory Board (DAB) meets once per month at our district office from 7-9pm to discuss topics that are being voted on by our PSD Board of Education, and the DAB provides feedback and recommendations on these topics that will be shared with our Board of Education. These meetings are led by our PSD Assistant Superintendents. We currently have two parents who have volunteered for this role, but if anyone else is also interested, please email me at [jibarela@psdschools.org](mailto:jibarela@psdschools.org). The meetings can be divided up by our reps, so each rep doesn't have to attend each meeting.

**Specialty Area Volunteer:** If you have knowledge in a specialty area, we would love to utilize your expertise to benefit our students. Some examples of this would be helping lead clubs like Lego Robotics, helping with our STEM Fair, serving as a guest speaker for a class or grade level, etc. If you have an interest in sharing your knowledge and skills with us, please email me at [jibarela@psdschools.org](mailto:jibarela@psdschools.org), and I will connect you with the right person to make that happen!

Thank you for partnering with us to provide an excellent educational experience for all our students.

Sincerely,  
 Jill Barela
